

# Into the Great Wide Open

## Tom Petty and The Heartbreakers

Eddie waited  
Til' he finished high school  
He went to Hollywood  
Got a tattoo  
He met a girl out there  
With a tattoo too  
The future was wide open  
They moved into a place  
They both could afford  
He found a night club  
He could work at the door  
She had a guitar  
And she taught him some chords  
The sky was the limit  
Into the great, wide open  
Under them skies of blue  
Out in the great wide open  
A rebel without a clue  
The papers said  
"Ed always played from the heart"  
He got an agent  
And a roadie named Bart

They made a record  
And it went in the charts  
The sky was the limit  
His leather jacket  
Had chains that would jingle  
They both met movie stars  
Partied and mingled  
There A and R man said  
"I don't hear a single"  
The future was wide open  
(Ohh)  
Into the great wide open  
Under them skies of blue  
Out in the great wide open  
A revel without a clue  
Into the great wide open

Under them skies of blue  
Into the great wide open  
A revel without a clue  
(Ohh)
