Over You

Bob Hate

Over You

I've never gotten over you
though it's been years now
I've never gotten over you
and I thought that you might like to know

I've got a photograph
I carry it with me, everywhere I go
But it doesn't haunt me now ... like it once did
because I know you aren't coming back

Don't worry baby
I've never gotten over you
Don't worry baby
I'm sorry I called ... but I thought that I should let you know

solo

I've got a new love
she's waiting for me, she's asleep in the next room
sometimes it scares me, when I hold her late at night
how much she looks like you
But I've gotten stronger
I'm not the same man, all those years ago
But I still remember
finding you with him
and watching you go

Don't worry baby
I've never gotten over you
Don't worry baby
I'm sorry I called ... but I thought that I should let you know
