Falling In Love With Love

Toots Thielemans

I weave with brightly colored strings
To keep my mind off other things
So, ladies, let your fingers dance
And keep your hands out of romanceLovely witches
Let the stitches
Keep your fingers under control
Cut the thread, but leave
The whole heart wholeMerry maids can sew and sleep
Wives can only sew and weep
Falling in love with love
Is falling for make-believe
Falling in love with love
Is playing the foolCaring too much is juvenile fancy
Learning to trust is just
For children in school
I fell in love with love one night
When the mood was full
I was unwise with eyes
Unable to see
