

# Heartbreak Hotel

## Whitney Houston

This is the Heartbreak Hotel  
This is the Heartbreak Hotel  
This is the Heartbreak Hotel  
This is the Heartbreak Hotel You said you'd be here by 9  
Instead you took your time  
You didn't think to call me boy  
Here I sit, trying not to cry  
Askin' myself why, you do this to me Since you're not around for me  
To tell you baby face to face  
I'm writing you this letter  
And this is what I have to say All I really wanted was some of your time  
Instead you told me lies when someone else was on your mind  
What'd you do to me? Look what you did to me  
I thought that you were someone who would do me right  
Until you played with my emotions and you made me cry  
What'd you do to me? Can't take what you did to me Now I see, that you've been doin' wrong  
Played me all along and made a fool of me baby  
You got it all wrong to think that I wouldn't find out  
That you were cheating on me, baby how could u do it to me Since you're not around for me  
To tell you baby face to face  
I'm writing you this letter  
And this is what I have to say All I really wanted was some of your time  
Instead you told me lies when someone else was on your mind  
What'd you do to me? Look what you did to me  
I thought that you were someone who would do me right  
Until you played with my emotions and you made me cry  
What'd you do to me? Can't take what you did to me This is the Heartbreak Hotel  
This is the Heartbreak Hotel  
This is the Heartbreak Hotel  
This is the Heartbreak Hotel All I really wanted was some of your time  
Instead you told me lies when someone else was on your mind  
What'd you do to me? Look what you did to me  
I thought that you were someone who would do me right  
Until you played with my emotions and you made me cry  
What'd you do to me? Can't take what you did to me All I really wanted was some of your time  
Instead you told me lies when someone else was on your mind  
What'd you do to me? Look what you did to me  
I thought that you were someone who would do me right  
Until you played with my emotions and you made me cry

What'd you do to me? Can't take what you did to me I ain't gonna take it, I ain't gonna take it no more  
I ain't gonna take it boy  
I ain't gonna take it no more  
Everything you say is a lie
