

Inane

KMFDM

Chew it all up - Turn it around - Give the meaning a twist - Spit it back out
Repulsive - Corrosive - Enticing - Confusing - Abusive - Elusive - Provoking
Amusing - Mangled and ground - Decomposed and destroyed - Whatever was found
We invented the sound

Prepared to order - Cooked to perfection - According to taste - No dissatisfaction
German engineering - Astounding ingenuity - Over a decade of conceptual continuity

KMFDM - A constant intrusion - It poisons your blood - You need an infusion

Like everything else it's completely inane

Profoundly profane and it drives me insane

KMFDM - What do you know - Don't blow your top now, here we go!

KMFDM - What's the deal

You're so naive, come on get real!

KMFDM - For what your money can buy

Leave your angst behind and fly sky-high!

KMFDM - Make your choice

Celebrate chaos - Get into the noise!

KMFDM - Nihilistic and free

UAIOE for you and me

Help us, save us, take us away

KMFDM - Make my day

KMFDM - What's the story

Sex on the flag, split and glory

KMFDM can't suck hard enough

Have a little more - You just love that stuff
