Tomorrows Dead

Solitude Aeturnus

Awash in waves of darkness
Light creeping, unwelcomeVisions behind these eyes
They melt into rivers of death
A burning desire, rips and tears
Drifting endlessly, days passGive me breath
Give me love
Give another day
Don't let me fadeSorrow bleeds these veins
Another hour of loneliness
Waiting as the world falls apart
Give me breath
Give me love
Give another day
Don't let me fade
