

# Crying Shame (Culver City Dub Remix)

Jack Johnson

It's such a tight game  
Will it ever stop?  
How will this all play out?  
Both sides out of mind now  
By now we should know how to communicate instead of coming to blows  
We're on the road and there ain't no stopping us now  
We're burning under control  
Isn't it strange how we're all burning  
Under the same sun  
By now they say if it's a war for peace  
It's the same old game  
But do we really want to blame?  
We could close our eyes it's still there  
We could say it's us against them  
We could try but nobody wins  
Gravity has got a hold on us all  
We could try to put it out  
But it's a growing flame  
Using fear as fuel  
Burning down our name  
And it won't take too long  
Cause words are burned the same  
Then who are we gonna blame  
Now and all  
It's such a crying, crying, crying shame  
It's such a crying, crying, crying shame  
It's such a crying, crying, crying shame  
Shame shame shame  
By now it's beginning to show  
A number of people their numbers that ain't coming home  
I could close my eyes it's still there  
Close my mind, be alone  
I could close my heart and not care  
But gravity has got a hold on us all  
It's a terrific price to pay  
But in the true sense of the word  
Are we using what we've learned  
In the true sense of the word  
Are we losing what we were  
It's such a tight game  
Will it ever stop?  
It's not for me to say  
And is it in our blood?

Or is it just our fate?  
And how will this all play out?  
Both sides out of my mind now  
Who are we gonna blame all and all? It's such a crying, crying crying shame  
It's such a crying, crying crying shame  
It's such a crying, crying crying shame, shame, shame
