In The Middle

Kazaky

When you cried, when you were sad
When you were alone
I'm in the middle
When you were in need
When you couldn't see
I'm right there in the middle, in the middle of
I was there in the middle of your pain
I was there when you didn't know your right from wrong
I was there when your friends walked out on you
When you searched and found all of your family was gone
I was there, I heard every plea
I'll come running everytime
Be strong, I'm right there in the middle, in the middle of
