Break My Mind

Barbara Mandrell

Baby, oh, babyTell the man at the ticket stand That you've changed your mind Well, let me run on out and tell the cab To keep the meter flying'Cause if you say goodbye to me, baby You know you're gonna break my mindBreak my mind, break my mind I know I just can't stand to hear The big jet engines whineBreak my mind, break my mind, oh, Lord If you leave you're gonna leave A babbling fool behindBaby, oh, babyLet me take your suitcase off Of them scales in time Tell the man that you suddenly developed A thing about flying'Cause if you say goodbye to me, baby You know you're gonna break my mindBreak my mind, break my mind I know I just can't stand to hear The big jet engines whineBreak my mind, break my mind, oh, Lord 'Coz if you leave you're gonna leave A babbling fool behindBreak my mind, break my mind I know, I just can't stand to hear The big jet engines whineBreak my mind, break my mind, oh, Lord If you leave you're gonna leave A babbling fool behindIf you leave you're gonna leave yourself A babbling fool behind If you leave you're gonna leave
