Queen Of Torture

Wishbone Ash

Has anybody seen my baby
Kickin' around the town?
She's the queen of torture, yeah
Yeah, you know she put me down, yeahHas anybody seen my woman
Hangin' 'round the streets?
She ain't been home for oh, so long
She walked right out on me, yeah, yeah, yeah, yeahHas anybody seen my woman
Out around the city?
She ain't been home for two weeks now
And ain't that such a pity, yeah, yeahHas anybody seen my baby
Kickin' around the town?
She's the queen of torture, yeah
Yeah, you know she put me down, yeah, yeah, yeah, yeah
