

# Your Time Is Through

**Julie C Myers**

I beg your pardon  
I've paid my dues  
I can't keep on living my life like a fool  
I gave you my heart  
You tore it apart  
I beg your pardon  
Mmmm-mmmI have my reasons  
But no need to explain  
Why I up and left you  
I had everything to gain  
You gotta finish what you start and you're finished breaking my heart  
I have my reasons  
Mmm-mmmYour time is through  
Your time is through  
I ain't got nothing to loseI beg your pardon  
I've paid my dues  
I can't keep on living  
My life like a fool  
You gotta finish what you start  
and you're finished breaking my heart  
I have my reasons  
Mmmâ€™mmm
