Fuck You

AVENGERS

Maybe the world's a mess
I like your dress
Been seeing you around
You're the best in town
fuck you, fuck you
fuck you hey fuck you.
Out on the streets
all alone
Looking for someone
to bring home
See you all alone
Gonna bring you home
See you all alone
Gonna bring you home
Gonna fuck you
fuck you fuck you
fuck you
fuck you
Gonna fuck you
so fuck you
Maybe the world's a mess
But baby I like your dress
Been seeing you all around
I hear you're the best in town
fuck you fuck you
fuck you fuck you
.
