

It's All Over Now

Ozark Mountain Daredevils

(HARP INTRO)

baby, you used to stay out, all night long
made me cry, done me wrong
hurt my eyes open, that's no lie
table's turnin', now her turned around because I used to love her
girl it's all over now
because I used to love her
but it's all over now well, I'm used to wake good mornin' with my breakfast in bed
I got worried she would cleave my little head
now she's hear and there
with ev'ry man in town
and still tryin' to take me
for that same amount but I used to love her
but it's all over now
well I used to love her
but it's all over now
(GUITAR SOLO) well, it's move on around
with ev'ry man in town
and tryin' to take me
for that same ol' clown
I used to wake up in the mornin'
feelin' just fine
not anymore
- he's there !because I used to love her
but it's all over now
I said I used to love her
but it's all over now I said I used to loved her
but its all over now
but I used to love her
but it's all over now
