

Type of Party

Que & Cassius Jay

IS that what you thought it was?

Hmm

I guess you thought a nigga 'bout to pay for it?

Naw little bitch, this ain't even that type of party

Oh you thought a nigga was a sweet lick, huh?

No nigga, this ain't even that type of party

You fucked up tryin' pass me the meat little nigga

Naw this ain't even that type of party

I'm a tell you like it is, give a fuck what you thought, nigga

This ain't even that type of party This ain't even that type of party little bitch

This ain't even that type of party This ain't even that type of party my nigga

This ain't even that type of party

Please don't get a nigga started

It ain't even that type of party

Country-ass nigga you corny

And the ho you with got on Ed Hardy

Young nigga eatin' calamari

Y'all nigga still eatin' Arby's

All these hoes think a nigga gnarly

Put your baby momma on Maury

Y'all nigga feelin' like Usher in the club

I don't want her number I wanna fuck her in the club

Bunch of chains feelin' like Busta in the club

Last time a young nigga snuck you in the club

Had you sleepin' lookin' like a sucker in the club

Embarrassed at the club, carried out the club

My man snuck Dirty Harry in the club

Tried some fuck shit then he airin' out the club

It is what it is, but it ain't what it ain't

So it ain't what your little nigga thought it was

These real diamonds in the bezel on the fade

VV fuckin' fade, what you thought it was?

Went from cool mills til I got a fuckin' bank

Keep the cake at the house where you thought it was?

Got some killers that for real, some gorillas and some apes

Knock the taste out your mouth, what you thought it was?

I ain't payin' for pussy but I might just buy the [?]

Only if your friend give a nigga half-off

High and I'm stuck, watchin' Cat-Dog

Pourin' up mud, drinkin' act raw
Drinkin' out a straw, rollin' up bud
Waitin' for your bitch to get off work at the club
I already knew that I would probably finna fuck
Cause she walked through the door in some leggings and some Uggs
