

# Stifled Man Casino

## Guided By Voices & Airport 5

Stifled man casino  
In a bed of bland facts  
Wake up for recovery  
Stifled man casino  
Unpleasant, co-missions, please Turn it off, avalanche man  
and down comes the roofer  
Up go the stakes  
In stifled man casino  
No one gets the brakes  
That's the breaks, baby  
Stifled man casino  
Scratching surfaces  
Street lights blurring  
Speech patterns blurred  
Passed out on apartment complex lawns Turn it off, avalanche man  
and down comes the roofer  
Up go the stakes  
In stifled man casino  
No one gets the brakes  
That's the breaks, baby Stifled man casino  
You can feel all the dust in your window  
You can feel all the lust in your mind  
But you can't have what you want  
You can play around and lay around  
Your whole life  
Turn it off, avalanche man  
and down comes the roofer  
Up go the stakes  
In stifled man casino  
No one gets the brakes  
That's the breaks, baby
