The Weed That Killed Elvis

Levellers

The NATO bombs were like sleeping pills
When I smoked the weed that killed Elvis
I took enough to make me ill
When I smoked the weed that killed Elvis
I was public enemy number one
When I smoked the weed that killed Elvis
I chewed Semtex like bubble gum
When I smoked the weed that killed ElvisNow Slobodan was a tennis pro
When I smoked the weed that killed Elvis
I turned fuckin' Eskimo
When I smoked the weed that killed Elvis
I found a place where I could die
When I smoked the weed that killed Elvis
I found god but I lost an eye
When I smoked the weed that killed ElvisHappiness was a girl I knew
When I smoke
