

# The Weed That Killed Elvis

## Levellers

The NATO bombs were like sleeping pills  
When I smoked the weed that killed Elvis  
I took enough to make me ill  
When I smoked the weed that killed Elvis  
I was public enemy number one  
When I smoked the weed that killed Elvis  
I chewed Semtex like bubble gum  
When I smoked the weed that killed Elvis Now Slobodan was a tennis pro  
When I smoked the weed that killed Elvis  
I turned fuckin' Eskimo  
When I smoked the weed that killed Elvis  
I found a place where I could die  
When I smoked the weed that killed Elvis  
I found god but I lost an eye  
When I smoked the weed that killed Elvis Happiness was a girl I knew  
When I smoke
