Empty

Unloco

I look outside
And see that everything is perfect
Except for me I'll always be
The one who sits and staresAnd now and then
You're just my friend
Someone I could talk to
And it's killin' me
It's just killin' meInside, I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
And it's killin' meI look outside
And realize how much I'm different
You'll never see inside of me
Inside just who I amAnd now and then
You're just my friend
Someone I could talk to
And it's killin' me
It's just killin' meInside, I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
And it's killin' me
I'm outside and looking inI look into your eyes
And see that you are perfect
Except for me
Except for meInside, I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
I feel so, I feel so, II feel so empty inside
I feel so empty inside
I feel so empty inside
I feel so empty inside
