

Hallelujah

Tenth Avenue North

At first I am afraid but not because of fear
But the Holy of Holies is drawing me near

Your voice like thunder shakes the ground I'm on So hide my face in the shadow of Your wings, oh Lord
Hide my sin from the beauty here before Your throne, Your throne Hallelujah for the blood of the Lamb that was
slain

Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah

Enter in to see Your face, oh God Well, I'm falling to my knees, I feel the earth beneath
With the weight of my sin and this crushing unbelief
Could You really love me with all that I've done, oh Lord? So hide my face in the shadow of Your wings, oh
Lord

Hide my sin from the beauty here before Your throne
Hide my face in the shadow of Your wings, oh Lord
Hide my sin from the beauty here before Your throne Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain

And so we enter in to see Your face, yeah
Enter in to see Your face, oh God, oh God We sing Lord
Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah

Enter in to see Your face, oh God You spread Your hands and made a refuge
For the weak and blessed the weary, bruised and broken
Took our sin inside Your wounds we hide away
Inside Your wounds we hide You spread Your hands and made a refuge
For the weak and blessed, the weary, bruised and broken
Took our sin inside Your wounds we hide away

Inside Your wounds we hide Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah
Enter in to see Your face, oh God We sing Lord
Hallelujah for the blood of the Lamb that was slain
Hallelujah for the blood of the Lamb that was slain
And so we enter in to see Your face, yeah
Enter in to see Your face, oh God
