

Holy Water

Dymons

Holy water, smoke and mirrors
Boiling water, you'll disappear
I think by now I know what evil really is
As pure as the snow, the taste on your lips
By a small fire's glow
When we were only kids
Someday everyone will know
Exactly what you did
Holy water, smoke and mirrors
Boiling water, you'll disappear
Someday everyone will hear
Then they will know who you are
You'll have to bare the fear
Try to escape in the dark
Holy water
Escape in the dark
