

# The 3rd World (Bonus Album Mix)

## Immortal Technique

Immortal Technique and DJ Green Lantern

3rd World motherfuckersIm from where the gold and diamonds are ripped from the earth

Right next to the slave castles where the water is cursed

From where police brutalitys not half as nice

It makes the hood in America look like paradiseCompared to the AIDS infested Caribbean slum

African streets where the passport's an American gun

From where they massacre people and try to keep it quiet

And spend the next 25 years try'na deny itIm from where they cut your hands off if you make a fist

And niggas grow cocoa 'cause the job market doesnt exist

Except slave labor modern day company store

And peace keepers dont ever, ever, ever come here no moreFrom where the bombs that they used to drop on  
Vietnam

Still has children born deformed 8 month before they gone

Im from where they lost the true meaning of the Quran

'Cuz heroin is not compatible with IslamAnd niggas know that but grow that poppy seed anyway

'Cause that food drop parachute does not come every day

Im from where people pray to the gods of their conquerors

And practically every president's a money laundererFrom where the only place democracy's acceptable  
Is if Americas candidate is electable

And they might even have a black president but hes useless

'Cause he does not control the economy stupidLock and load your gun where Im from the 3rd world son  
Been to many places but Im 3rd world born

Guerrillas hit and run where Im from the 3rd world son

You polluted everything and now the 3rd worlds goneThe water is poison where Im from the 3rd world son  
700 children died by the end of this song

Revolution'll come where Im from the 3rd world son

Constant occupation leaves the 3rd world tornIm from where the Catholic church is some racist shit  
They helped Europe and America rape this bitch

They pray to white Spanish Jesus whose face is this

But never talk about the black pope GelasiusIm from where Soviet weapons still decide elections  
Militarys like the mafia you pay for protection

Catamite sex tours is what the country sells

And rich white business men make the best clienteleIm from where they too pussy to come film Survivor  
And they murder Coca-Cola union organizers

Im from where the justice system esta podrido

Fuck government niggas politic over pericoRebelde concido, enterado vivo

Como otro Argentino desaparecido

'Cause RICO laws dont apply to the CIA

And muthafuckas make sneakers for a quarter a dayIm from where they overthrow democratic leaders

Not for the people but for the Wall Street Journal readers  
From where blacks, indigenous peoples and Asians  
Were once the slaves of Caucasians And its amazin' how they trained them to be racist against themselves  
In the place they was raised in, you kept us caged in  
Destroyed our culture and said that you civilized us  
Raped our women and when we were born you despised us Gentrified us agent provocateurs divide us  
And crucified every revolutionary messiah  
So Im a start a global riot that not even your fake  
Anti-communist dictators can keep quiet Fuck your charity medicine tryna' murder me  
The immunizations you gave us were full of mercury  
So now I see the 3rd world like the rap game soldier  
Nationalize the industry and take it over Lock and load your gun where Im from the 3rd world son  
Been to many places but Im 3rd world born  
Guerrillas hit and run where Im from the 3rd world son  
You polluted everything and now the 3rd worlds gone The water is poison where Im from the 3rd world son  
700 children died by the end of this song  
Revolution'll come where Im from the 3rd world son  
Constant occupation leaves the 3rd world torn
