Is This Me or Is This You

Sham 69

Is this me or is this you
Look in the mirror
Who do you see
Do you see you
Or do you see meIs this me or is this you
Look in the mirror
Who do you see
Do you see you
Or do you see meI don't know I just do what you say
My life's what I'm told to do
I've been doing it all for you
I wish I knew, then I'd know what to say
I don't know what to do
I don't know what to sayIs this me or is this you
Look in the mirror
Who do you see
Do you see you
Or do you see meIs this me or is this you
Look in the mirror
Who do you see
Do you see you
Or do you see meNow I know I've been looking at you
You are what I see as me
So I can't see what I want to beIs this me or is this you
Look in the mirror
Who do you see
Do you see you
Or do you see meMirror, Mirror you tricked me
I'm not the thing's you said I'd be
You've stolen all my dreams from me
And left me with reality, realityIs this me or is this you
Look in the mirror
Who do you see
Do you see you
Or do you see meIs this me or is this you
Look in the mirror
Who do you see
Do you see reality, reality
Reality
