

**vile**

**Lungbutter**

Do you kiss your mom with that mouth?  
If she could only see you now  
If she could only hear you now  
Would she run to wash her cheek  
To wash the years of filth from her cheek? Or would there be just too much to clean? The perversion spewing  
from your mouth has gone too far  
Has gone far, has gone far So shut it up, she's worth much more  
And this time you, you're gone too far I'm not sure, I could hold back anymore  
So if I hear your talk much more  
I might just nail your tongue to the bathroom floor  
Where that feces belong
