

What Did You Do to My Life?

Neil Young

When we were living together
I thought that I knew you would stay.
Still when you left me
I tried to pretend we could make it some way.I don't care if all of the mountains
Turn to dust in the air.
(What did you do to my life?)
It isn't fair that I should
Wake up at dawn
And not find you there
(What did you do to my life?)It's hard enough losing
Without the confusion of knowing I tried.
But you've made your mind up
That I'll be alone now there's nothing to hide.I don't care if all of the mountains
Turn to dust in the air.
(What did you do to my life?)
It isn't fair that I should
Wake up at dawn
And not find you there
(What did you do to my life?)
