To Bring You My Love

Hammerhands

I was born in the desert
I been down for years
Jesus, come closer
I think my time is nearAnd I've traveled over
Dry earth and floods
Hell and high water
To bring you my loveClimbed over mountains
Traveled the sea
Cast down on heaven
Cast down on my kneeI've lain with the devil
Cursed God above
Forsaken heaven
To bring you my loveTo bring you my love
To bring you my love
To bring you my loveI know he's gonna be here
You know he's gonna be here
Yeah alrightForsaken heaven
Cursed God above
Laid with the devil
Bring you my loveTo bring you my love
To bring you my love
To bring you my love
