Love Never Dies

Shades

Ohhhhh
Ohhhhh
Ohhhhh
OhhhhhMy days just ain't the same without you baby
No sun up in the sky since you've been gone
Rainy days seem to cloud my life
Since we said good-bye, my heart don't know whyLove never dies
It's unselfish and kind
Not jealous or blind
My love, my loveDays have turned to nights and nights to days
I pray to God you know my loves the same
If love has truly passed us by
It was only meant for a little while
And now I can't deny, love don't lieOoooh, oooohh, oooohh
So hard to let a good love die baby
Yes it is
If our love dies
You know I cry
Please make it last, 'til the end of time, end of time
Oh yeah baby
Ohhh, hoooo hooooLove never dies
It's unselfish and kind
Not jealous or blind
My love, my loveLove never dies
It's unselfish and kind
Not jealous or blind
My love, my love
