Harassment

Steel Pulse

Roots RootsHarassment is the mark of the beast in the struggle
In the hands of the enemy the middle of the hastle
But blessed I'm bound to be
If I bear our the battle
If I give dem the power they bring back the shackles
So I got to overthrow the struggle.Captured by command of corrupted law
Not to be released till they beat I raw
Trumped a charge on I
I've got no alibi
No leg to stand in court says I need you support
I say
We'll fight 'till last
Roots Roots
Three nines nine nine nine
The mark of the beast yeh
Vonk dem harassmentGot to overthrow the struggle
We'll fight till last
