

Exit Music (For a Film)

The Cinematic Orchestra

Wake from your sleep
The drying of your tears
Today we escape, we escape Pack and get dressed
Before your father hears us
Before all hell breaks loose Breathe, keep breathing
Don't lose your nerve
Breathe, keep breathing
I can't do this alone Sing us a song
A song to keep us warm
There's such a chill, such a chill You can laugh
A spineless laugh
We hope your rules and wisdom choke you
Now we are one in everlasting peace We hope that you choke, that you choke
We hope that you choke, that you choke
We hope that you choke, that you choke
