Come on

Vaya

A bailar Where're my niggaz with the big dicks? Ahh

Where're my niggaz with the hot whips? Ahh

Where're my niggaz living better?

We want Baretas and Amarettas

Butter leathers and mad cheddar Where're my niggaz with the big dicks? Ahh

Where're my niggaz with the hot whips? Ahh

Where're my niggaz living better?

We want Baretas and Amarettas

Butter leathers and mad cheddar (Ayo Pun, I got you baby)

We play the front not the back, when there's beef I attack

Grab the guns and start lighting

Ya'll the bitch niggaz behind cars

Scared to death like, "Yo, who fighting?"

How the fuck you teaching me, I ain't got no obedience

Ya'll are made of shit I'm the thug's ingredients

And for my niggaz I peel like fucked up paint jobs Cover your block and put holes in you like old blankets

Fuck a bitch use a sock and wipe my nut what?

Run in your spot and use a Glock to get my cut what?

Smack you in public and embarrass you slut what?

Put you on punishment the same way I do to my son

And the only bullets by my stomach be the clip from my gun

And when my gun busts it's over so close the curtains My silencer's like ch, ch, ch like birds was chirping

I like Boricuas ya know that Sheik be freaky

I put coke in their peepee then stuff the bras

Put some coke in the bras that look like coconuts

That's what's up, don't have Sheik's click clack, this up

Disload the back pack her bitch ass back me up

You know double R and Terror Squad niggaz want they cut Where're my niggaz with the big dicks? Ahh

Where're my niggaz with the hot whips? Ahh

Where're my niggaz living better?

We want Baretas and Amarettas

Butter leathers and mad cheddar Where're my niggaz with the big dicks? Ahh

Where're my niggaz with the hot whips? Ahh

Where're my niggaz living better?

We want Baretas and Amarettas

Butter leathers and mad cheddar I'm well know like Al Capone, full blown like Tone Montana

In the zone sitting on chrome stoned sipping on Champana
Rolling ganja up in Bible paper
A high that will take us through the eyes of Christ
John, Elijah, Jacob
I make the kind of green that hustler's dream
Busting out that custard creamPiper 'cuz I'm piped up with the mustard team
Plus the queen Fort Knox and hearts
King of medallions Monty Guard
Even Italians see my battalion prop the broad
I got the squad over qualified pulling over Karl Kani
Range Rover tilted three wilted hydraulic slideSpark the Live in the crowd ripping trough housings
Like the Wu do in Shaolin
John Blazing on a pound of buddha and all the mami chulas
They want to ride on my Honda scooter
You know the red one from the video
But really though she ain't coming and she ain't running the
Trizzie yoWhere're my niggaz with the big dicks? Ahh
Where're my niggaz with the hot whips? Ahh
Where're my niggaz living better?
We want Baretas and Amaretas
Butter leathers and mad cheddarWhere're my niggaz with the big dicks? Ahh
Where're my niggaz with the hot whips? Ahh
Where're my niggaz living better?

Bitch ass nigga you ain't running' up on shit
Talking' like you gonna bust yo clip
Nigga you ain't no fucking threatYou talk a lot but you ain't never realized
That if you walk that block
Cock that Glock, think I'm pussy, oh, shit man
Big Punisher's off his rocker
What you got? Beef wit' me? Aight then papi, Sheik's with me
Thought you cats were gonna creep on me
Without some type of an injuryWhere're my niggaz with the big dicks? Ahh
Where're my niggaz with the hot whips? Ahh

We want Baretas and Amaretas
Butter leathers and mad cheddarWhere're my niggaz with the big dicks? Ahh

We want Baretas and Amaretas
Butter leathers and mad cheddarI see coward in yours, what you up in my eyes?
Big dick between mine, what the fuck between your thighs?

Pussy, if I shoot, are you gonna shoot back?
I don't think so, your man's the thug, you ride piggy-back
You're the one that passed the gat, told your man to bust that
You ain't making no money, you're a broke-ass cat
And once these pop, cops bring the chalk
And the mop to get the rest of you off the sidewalk, whatWhere're my niggaz with the big dicks? Ahh
Where're my niggaz with the hot whips? Ahh
Where're my niggaz living better?
We want Barettas and Amarettas
