

Something Like Olivia

John Mayer

Well Olivia is taken
But a look like hers can be found from time to time
Yeah Olivia is taken
But a look like hers can be found from time to time I'm thinking something like Olivia
Is what I need to find There's only one man in this world
Who gets to sleep with her by his side
There's only man in this world
Who gets to sleep with her by his side I'm thinking something like Olivia
Could keep me through the night Now I'm not trying to steal
No lover away from no one, man
No I'm not trying to steal
No lover away from no one, man But if Olivia herself rolled up my door
I'd have to say I'd let her in Something like Olivia
Something like Olivia
Something like Olivia
Something like Olivia I keep thinking something like Olivia
Is what I need to find
Something like Olivia
Something like Olivia
Something like Olivia
