

Relax (Spencer & Hill Remix - Radio Edit)

Frankie Goes to Hollywood

Guess what's happening now?
Hey hey, whoa, oh
Hey hey
Well now Relax don't do it
When you want to go to it
Relax don't do it
When you want come
Relax don't do it
When you want to suck it to it
Relax don't do it
When you want come
When you want come Relax don't do it
When you want to go to it
Relax don't do it
When you want come
Relax don't do it
When you want to suck to it
Relax don't do it
When you want come
Come oh oh oh But shoot it in the right direction
Make making it your intention-oooh yeah
Live those dreams
Scheme those schemes
Got to hit me
Hit me
Hit me with your laser beams
Ow ow ow ow, laser beams Relax, don't do it
Relax
When you want to come
I'm comin', I'm comin', hey, hey
Relax don't do it
When you want to go to it Relax don't do it
When you want come
Relax don't do it
When you want to suck to it
Relax don't do it (love)
When you want to come
When you want to come
When you want to come
When you want to come Come-huh Relax don't do it

When you want to go to it
Relax don't do it
Relax don't do it
When you want to suck to it
Relax don't do it
One sound on sound time
Come
