

Kick (feat. Nikka Costa)

INXS

Come on
Come on
Come on
Come onI look around
Unsatisfied
At what they're giving me
But then I think
To myself
Is there someone else
Oh, who feels the same as me
Do you feel the same babyWhen my back is broken
When the mountain moves away
All the dreams and promises
That we give
We give awaySometimes you kick
Sometimes you get kicked
Sometimes you kick
Sometimes you get kickedSometimes you kick
Sometimes you get kicked, oh
Sometimes you kick
Sometimes you get kicked, babyLook ahead
But don't mix it up
Baby look ahead
To better days
And better ways
Make peace
With flesh and blood
Make peace
With your loveNothing more I could ask of you
But in the end this is the truthWhen my back is broken
When the mountain moves away
All the dreams and promises
That we give
We give awaySometimes you kick
Sometimes you get kicked
Sometimes you kick
Sometimes you get kickedSometimes you kick
Sometimes you get kicked
Sometimes you kick, oh

Sometimes you get kicked Sometimes you kick
Sometimes you get kicked, oh
