Greg! the Stop Sign!!

TISM

The guy who slagged the football team
Those yobs were not for him
He turns into a real estate agent
Who believes in disciplineThe guy who's the first to use cocaine
The wild boy breaking free
He'll end up in a court of law
As a prosecuting Q.C.Remember the school captain?
Success was a matter of time
I can hear her now as she screams
"Greg, you missed the stop sign"Forget Snoop Doggy Dog
Forget ol' Ice T
The true word out on the streets
Is produced by the T.A.C.What good's the use of striving?
As life's road in front unravels
We get to do the driving
But don't choose the direction we travelDo your homework or wag for weeks,
graffiti the Dandedong line
It don't matter much when you hear that scream
"Greg, you missed the stop sign"Greg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!Some time in the next ten thousand years
A comet's gonna wipe out all trace of Man
I'm banking on it coming before
My end of year examThe rich kid, becomes a junkie
The poor kid, an advertiser
What a tragic waste of potential
Being a junkie's not so good, eitherYour folks worked hard for what you've got
You're the fruit of their vine
But who cares what you sow when what you reap is
Greg, you missed the stop sign?Greg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!Bought a car just the other day
Man, could that baby run?
But you know what they always say
There's always a better oneGot a tumor in my brain
It's creeping to my lungs
And I've searched around in vain

Can't find me a better oneHardwired into everyone's head
Is the person they're gonna be
Growing up is not a matter of choice
It's a matter of wait and seeSo kids, yeah, you can do it
You can be the best
Girls can do anything
You can pass the testI'm okay, you're okay, we're okay, we're fine
I thought I heard a semi-trailer
Greg, you missed the stop signGreg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!Greg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!
Greg! the stop sign!
