# Situation (U.S. 12" Mix)

## Yaz

Blue eyed dressed for every situation
Moving through the doorway of a nation
Pick me up and shake the doubt
Baby I can't do withoutDon't mess around
You bring me down
How you get about
Don't make a sound just move outI remember only for an hour
Move right through me, can you feel the power
I don't know what's going on
It scares me but it wont take longDon't mess around
You bring me down
How you get about
Don't make a sound just move outMove out, move out, move out
Move out, move out, move outNow he's in control he is my lover
Nations stand against him, he's your brother
Been a long time, been a long time now
I'll get to you somehowMove out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move outMove out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move outMove out, move out, move outMove out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move outNow he's in control he is my lover
Nations stand against him, he's your brother
Been a long time, been a long time now
I'll get to you somehowMove out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move outMove out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move out
