

Ruin Me

Paden Smith

V1)

I am weak, You are strong
I don't know where I went wrong.
But who I am, I can't be
I need to undo me

Break down my wall and bruise my ego
You can have all just help me let go
I'm ready to finally be free
CHORUS)

Ruin me, take me apart
I wanna lose myself in your arms.
I wanna change til I can't be found.
Til I can't be found anymore
Ruin me.

V2)

Break my will, hurt my pride
Cuz no one knows I'm crying inside.
Wound my heart, let me feel
The pain of something real
Break through my sin and save me from myself
I wanna know how it feels to be held
I'm ready for something real

CHORUS

BRIDGE)

I'm broken so I can be healed
I'm ready to feel something real
With Your love.
I'm wounded so I'll be made whole
I feel it with all of my soul
Its Your love, Your love.

CHORUS X2
