Kiss So Hard

Last Winter

(Verse 1)
So I got you're letter early Monday morning
And I could not believe my eyes
It said, things aren't working here
I'm coming home my dear
Please tell me you haven't forgotten me!

(Chorus)
You kiss so hard that I stop breathing (whoa oh whoa oh!)
and I could stay right here, oh won't you let !?
You kiss so hard that I stop breathing (whoa oh whoa oh!)
and I could die right here, but you wouldn't let me!

(Verse 2)
Now I'm at the station waiting, 7:30
Like you letter clearly stated
You said that you'd meet me here
But you weren't there my dear
I can't believe you broke my heart again!

(Chorus)
You kiss so hard that I stop breathing (whoa oh whoa oh!)
and I could stay right here, oh won't you let me
You kiss so hard that I stop breathing (whoa oh whoa oh!)
and I could die right here, but you wouldn't let me!
