Leech

Soilwork

Were you here to watch me,
Fall on my knees?
You've done it again,
I'm out of reach
What was the reason?
What was the cause?
For you to be able,
To change who I was

But, you, can't, leech from me
Now, there's, nothing, to, fear

Your wrath keeps setting me aside
How will I ever know?
(Tell me why)

Is it work to cut through,
The state that I'm in?
When our almighty mother,
Constantly wins
But I'm not here to fight you,
You gave me life
But I won't understand,
If I was put out to die

But, you, can't, leech from me
Now, there's, nothing, to, fear

Your wrath keeps setting me aside
How will I ever know?
(Tell me why)
Your wrath keeps telling me I'm fine
But I feel like I need it though
(Tell me why)

The right time to reveal the rapture
I want to know where mistakes are left
The truth hurts, but I feel like I served well
I hope to live again, cope with the lapse

The lapse

The creation,
I've erased
So enrich me,
I won't fail
I will never,
Trace your path
But I will challenge
And dispose all my wrath

But, you, can't, leech from me
(leech from me)
Now, there's, nothing, to, fear

Your wrath keeps setting me aside
How will I ever know?

Were you here to watch me,
Fall on my knees?
You've done it again,
I'm out of reach
What was the reason?
What was the cause?
For you to be able,
To change who I was
