

# Suffer Inside

## No Fun At All

Talking 'bout the place that we live in  
(The way I'm feeling)  
In a place so full of hate  
In a world where no one is giving  
In a place that is so full of hate, full of you You, oh, I suffer inside  
You, a feeling I can't hide Talking about the way I'm feeling  
In a life, dancing on the ceiling
