The Fucking Champs

I think I'm slippin away
Can you hold on for me now
I'll try and make you proud
It's not that easy to say
If things are ever to change
Can you help me find a way
I know we'll be okay
At the end of the day

I'm just a minute away
Can you wait for me this time
I'll promise you ill try
If I try to change
Rhe only fuckin way
I've had it up to here
and now it's not so clear
At the end of the day

We wont see hope till then
I know we wont forget
We wont see hope till then
Ya know we wont forget
Not yet

I think I'm slippin away
Can you hold on for me now
I'll try and make you proud
It's not that easy to see
If things are ever to change
Can you help me find a way
I know we'll be okay
At the end of the day

We wont see hope till then
I know we wont forget
We wont see hope till then
Ya know we wont forget
Not yet
Forget

We wont see hope till then
I know we wont forget
We wont see hope till then
Ya know we wont forget
Not yet
Forget
Not yet
