

# Higher

## Creed

When dreaming I'm guided to another world  
Time and time again  
At sunrise I fight to stay asleep  
'Cause I don't want to leave the comfort of this place  
'Cause there's a hunger, a longing to escape  
From the life I live when I'm awake  
So let's go there, let's make our escape  
Come on let's go there, let's ask, ?Can we stay??  
Can you take me higher?  
To the place where blind men see  
Can you take me higher?  
To the place with golden streets  
Although I would like our world to change  
It helps me to appreciate those nights and those dreams  
But my friend, I'd sacrifice all those nights  
If I could make the Earth and my dreams the same  
The only difference is  
To let love replace all our hate  
So let's go there, let's make our escape  
Come on let's go there, let's ask, ?Can we stay??  
Can you take me higher?  
To the place where blind men see  
Can you take me higher?  
To the place with golden streets  
So let's go there, let's go there  
Come on let's go there, let's ask, ?Can we stay??  
Up high I feel like I'm  
Alive for the very first time  
Set up high I'm strong enough  
To take these dreams and make them mine  
Set up high I'm strong enough  
To take these dreams and make them mine  
Can you take me higher?  
To the place where blind men see  
Can you take me higher?  
To the place with golden streets  
Can you take me higher?  
To a place where blind men see  
Can you take me higher?

To the place with golden streets
