## **Comfortable**

## **John Mayer**

I just remembered, that time at the market
Snuck up behind me and jumped on my shopping cart
And rode down, Isle 5
You looked behind you to smile back at me
Crashed into a rack full of magazines

They asked us, if we could leaveCan't remember, what went wrong last September
Though I'm sure you'd remind me, if you had toOur love was, comfortable and
So broken inI sleep with this new girl I'm still getting used to
My friends all approve, say "She's gonna be good for you"

They throw me, high fives
She says the Bible is all that she reads
And prefers that I not use profanity

Your mouth was, so dirtyLife of the party and she swears that she's artsy But you could distinguish Miles from ColtraneOur love was, comfortable and So broken in

She's perfect, so flawless

Or so they say, sayShe thinks I can't see the smile that she's faking
And poses for pictures that aren't being taken
I loved you gray sweat pants, no makeup, so perfectOur love was, comfortable and
So broken in

She's perfect, so flawless I'm not impressed, I want you back
