## **Yours Is No Disgrace**

## Yes

Yesterday a morning came, a smile upon your face Caesars Palace, morning glory, silly human race On a sailing ship to nowhere, leaving any place

If the summer change to winter, yours is no disgraceBattleships confide in me and tell me where you are Shining, flying, purple wolfhound, show me where you are

Lost in summer, morning winter, travel very far

Lost in musing circumstances, that's just where you are Yesterday a morning came, a smile upon your face Caesars Palace, morning glory, silly human, silly human race

On a sailing ship to nowhere, leaving any place

If the summer change to winter, yours is no

Yours is no disgrace, yours is no disgrace, yours is no disgraceDeath defying, mutilated armies scatter the earth Crawling out of dirty holes, their morals, their morals disappear, yeahYesterday a morning came, a smile upon your face

Caesars Palace, morning glory, silly human, silly human, silly human race
On a sailing ship to nowhere, leaving any place
If the summer change to winter, yours is no

Yours is no disgrace, yours is no disgrace, yours is no disgraceBattleships confide in me and tell me where you

Shining, flying, purple wolfhound, show me where you are
Lost in summer, morning winter, travel very far
Lost in musing circumstances, that's just where you are
