

# Campershell Dreams

## Grandaddy

You don't have to be alone anymore  
Good company's a gift  
You don't have to be alone anymore  
Go ahead, dispel the myth You don't have to be alone anymore  
Sad letters on the drift  
You don't have to be alone anymore  
That really ain't no way to live  
It really ain't no way to live You don't have to be alone anymore  
Good company's a gift  
You don't have to be alone anymore  
Go ahead, dispel the myth You don't have to be alone anymore  
Sad letters on the drift  
You don't have to be alone anymore  
That really ain't no way to live  
It really ain't no way to live
