

Move It

Dope

Daddy, when I grow up I want to be a topless dancer so I can make lots of cash

Get up
Get it out
And groove it
In and out
And move it
Up and down
And all you got to do is
Everyone get movin'
And the rhythm will take the control
All the ladies are groovin'
All the fellers are ready to go
We're going out tonight
And it feels alright
Get up
Get it out
And groove it
In and out
And move it
Up and down
And all you got to do is
Get up
Get it out
And groove it
In and out
And move it
Up and down
And all you got to do is
Move it, movie it
Move it, movie it
Everybody get to it
Everybody move up on inside
Everything you wanna do it
Do you wanna go down one more time?
It's getting hot tonight
And it feels just right
Get up
Get it out
And groove it

In and out
And move it
Up and down
And all you got to do is

Get up
Get it out
And groove it
In and out
And move it
Up and down
And all you got to do is

Let's take it slow

Up and down
Up and down
Up and down
Up and down
Up and down

MOVE!

All you got to do is
It's getting hot tonight
And it feels just right

Get up
Get it out
And groove it
In and out
And move it
Up and down
And all you got to do is

Get up
Get it out
And groove it
In and out
And move it
Up and down
And all you got to do is

Move it, movie it
Move it, movie it
Move it, movie it
Move it, movie it
Move it, movie it
