Without Me

Goldfinger

I know when it's over
And I know when I'm done
I know we can't get lower
And I know you're not the one
So just take another moment
And decide what you want to do
'Cause I know that you're nothing
I know that you're nothing without me
Yeah, without me
Say goodbye to yesterday
'Cause tomorrow you'll be gone
Say hello to your destiny
'Cause tomorrow I'll show you're wrong
And I hate to say I told you so
Hate to say I told you so
But you're wrong
Yeah, you know you're wrong
I know that you're older
(I know that you're older)
Yeah, but some things never change
(Never change)
So just take your hate and get out into this great big world
'Cause I know that you're nothing
I know that you're nothing without me
Say goodbye to yesterday
'Cause tomorrow you'll be gone
Say hello to your destiny
'Cause tomorrow will show you're wrong
And I hate to say I told you so
Hate to say I told you so
I know it's hard to say I'm sorry
But tomorrow's not coming back
So don't wait another day
I know it's hard to be unlucky
And you feel like you're under attack
So don't wait another day
Say goodbye to yesterday
'Cause tomorrow you'll be gone
Say hello to your destiny

'Cause tomorrow will show you're wrong
Say goodbye to yesterday
(Say goodbye)
'Cause tomorrow you'll be gone
Say hello to your destiny
(Say goodbye)
'Cause tomorrow will show, tomorrow will you're wrong
And I hate to say I told you so
Hate to say I told you so
But you're wrong
Yeah, you know you're wrong
