

Snowman

R. Kelly

Verse 1

From the opposite side of the window pane
I see family and friends
All alone in the cold,
freezing rain is how I feel within
I'm comin' on somebody
wish I had somebody
to bring me peace, love and shelter
She's gotta be someone
who really needs someone
and this he really needs a her

I'm just a snowman, lookin' for a snow girl (ah)
someone who can share my snow world
I'm just a snowman, lookin' for a snow girl
and I want you to be my girl

Verse 2
As the snow is slowly falling down
my thoughts are burning within (oh how I need)
Oh how I need a snow angel around
A faithful lover and friend
Comin' on somebody,
wish I had somebody,
to bring me peace, love and shelter
She's gotta be someone
Who really needs someone
And this he really needs a her

I'm just a snowman, lookin' for a snow girl (ah)
someone who can share my snow world
I'm just a snowman, lookin' for a snow girl

and I want you to be my girl
Do do do do do do do do do do (scat solo)

Bridge
Someone tell santa claus
that I'm out here in this cold, yeah
and I need a present that can keep me warm,
I'm just a snowman, lookin' for a snow girl
someone who can share my snow world
I'm just a snowman, lookin' for a snow girl
and I want you to be my girl
I'm just a snowman, lookin' for a snow girl
someone who can share my snow world
I'm just a snowman, lookin' for a snow girl

and I want you to be my girl
