

Half the World Away

Aurora

I would like to leave this city
This old town don't smell too pretty and
I can feel the warning signs running around my mind
And when I leave this island I'll book myself into a soul asylum
'Cause I can feel the warning signs running around my mind
So here I go still scratching around in the same old
hole
My body feels young but my mind is very old
So what do you say?
You can't give me the dreams that are mine anyway
You're half the world away
Half the world away
Half the world away
I've been lost I've been found but I don't feel down
And when I leave this planet, you know I'd stay but I just
can't stand it and
I can feel the warning signs running around my mind
And if I could leave this spirit, I'll find me a hole and I'll live in it
And I can feel the warning signs running around my mind
Here I go, I'm still scratching around in the same old
hole
My body feels young but my mind is very old
So what do you say?
You can't give me the dreams that are mine anyway
You're half the world away
Half the world away
Half the world away
I've been lost I've been found but I don't feel down
No I don't feel down
No I don't feel down
