Adorn You

K. Michelle

These arms will always comfort you ooh ooh. ANd I hope you do what's best for me hmmm hmmm And I know that your married and you got them kids but this shit getting real can't help I how I feel hate to ask you to leave but nomore holidays alone that's your house but I need a home I need cha. Let my love adorn you oh baby I'm selfish cause I love you always thinking of you but I'm going threw it even if I walked away my heart will still remain.Chorus :Let my love adorn you oh baby let my love adorn you I'm going threw it don't know what I'm doing I just wanna love you . Thank you for being a fan Traveled down the road and back again your heart is true you're a pal and a confidant!!
