Thinking About You

Radiohead

Been thinking about you
Your records are here
Your eyes are on my wall
Your teeth are over there
But I'm still no one
And you're my star
What do you care?Been thinking about you
And there's no rest
Should I still love you
Still see you in bed
But I'm playing with myself
What do you care?
When the other men are far, far betterAll the things you've got
All the things you need
Who bought you cigarettes
Who bribed the company
To come and see you, honey?I've been thinking about you
So how can you sleep
These people aren't your friends
They're paid to kiss your feet
They don't know what I know
And why should you care
When I'm not thereBeen thinking about you
And there's no rest
Should I still love you
Still see you in bed
But I'm playing with myself
What do you care?
When I'm not thereAll the things you've got
She'll never need
All the things you've got
I've bled and I'd bleed
To please youBeen thinking about you
