## **Thinking About You**

## **Radiohead**

Been thinking about you

Your records are here

Your eyes are on my wall

Your teeth are over there

But I'm still no one

And you're my star

What do you care? Been thinking about you

And there's no rest

Should I still love you

Still see you in bed

But I'm playing with myself

What do you care?

When the other men are far, far betterAll the things you've got

All the things you need

Who bought you cigarettes

Who bribed the company

To come and see you, honey? I've been thinking about you

So how can you sleep

These people aren't your friends

They're paid to kiss your feet

They don't know what I know

And why should you care

When I'm not there Been thinking about you

And there's no rest

Should I still love you

Still see you in bed

But I'm playing with myself

What do you care?

When I'm not thereAll the things you've got

She'll never need

All the things you've got

I've bled and I'd bleed

To please youBeen thinking about you
